

## Policy Statement on Health & Safety

Enlighted Solutions Sdn Bhd's policy is to STRIVE FOR EXCELLENCE in all aspects on Safety & Health.

It is therefore, our obligation and responsibility to take every reasonable and practical step to:

- Provide a system of work aimed at Zero Accidents, Zero Death, Zero and Occupational Illnesses.
- Protect everyone including workers as well as general public in project site from exposure to risk to their Safety and Health.
- Continual improvement in the OH&S management and OH&S performance.
- Comply with applicable legal and other requirements relates to the OH&S hazards.

Our objective is to **achieve zero accidents**. To meet this target, we will foster and develop strong "Safety Working Culture" in our operation. At the same time, appropriate contingency plans are ensured to be in place to deal with any possible emergency.
